## TWO WAYS TO ACCESS CHINA

# TRAVEL OR NOT, SOLUZEN WORKS WITH YOU

You can come to China with us or work from your own country. Either way, a local team searches, verifies, negotiates and executes for you.

## IF YOU TRAVEL ALONE

- Spend days or weeks searching
- Unverified suppliers: scams or lost deposits
- Overpricing, poor quality and logistics problems
- Go home without a local team or follow-up

MORE RISK, COST AND UNCERTAINTY

## IF YOU TRAVEL WITH SOLUZEN

- Schedule prepared before you arrive
- Selected suppliers
- Interpreter and local negotiation
- Follow-up after you return home

MAKE PROGRESS FROM DAY ONE.

## CAN'T OR DON'T WANT TO TRAVEL?

### WE WORK IN CHINA FOR YOU.

You decide from your own country. Our team handles the work on the ground and keeps you informed at every stage.

- Product and supplier sourcing
- Verification and negotiation
- Samples and product development
- Purchasing agent and local representation

- Continuous local follow-up
- Business setup in China

### START WITHOUT TRAVELING

Our local team turns your instructions into real action in China.

VALUE CONTINUES WITH EVERY DEAL

# SAVE TODAY. LONG-TERM ADVANTAGE.

The following calculation covers just one order. The real advantage comes when better pricing, quality and logistics continue throughout the life of your business.

## ONE-ORDER EXAMPLE

| ORDER           | POTENTIAL SAVING | ESTIMATED SAVING       |
|-----------------|------------------|------------------------|
| <b>\$35.000</b> | <b>15-20 %</b>   | <b>\$5.300-\$7.000</b> |

This saving far exceeds the cost of the trip.

## SAVINGS REPEAT WITH EVERY ORDER OVER TIME

- Better negotiated pricing
- Direct supplier relationships
- Terms that improve with volume
- Fewer errors, returns and losses
- Quality checked before shipping
- Optimized logistics and consolidation

NOT A ONE-WEEK SAVING: A LONG-TERM BUSINESS ADVANTAGE.
